LE FEDINE
PROMESSE

#2024

Le fedine

dal 1926

Le fedine, già in uso nell'antica Roma, note come "Anulus Pronobus", inizialmente erano cerchietti in ferro che nei secoli furono trasformati in argento, in oro e arricchiti con decori o incisioni.

La fedina è il primo anello di fidanzamento che rappresenta la promessa di matrimonio "Fidem Dare". Oggi sono regalate anche in occasione di anniversari e ricorrenze.

UNOAERRE membro del Responsible Jewellery Council
I diamanti utilizzati da UNOAERRE per i propri prodotti sono stati acquistati da fonti legittime non coinvolte nel finanziamento di conflitti e in conformità alle risoluzioni delle Nazioni Unite.
